Don't Poke the Bear

The March 12th Membership Meeting was packed full of **FALSE NEWS** and **HIDING THE REAL FACTS!** We were hoodwinked in believing all is well when it is not. Read the true facts!

Allen Killik reported that the by-law changes did not pass, Karpel insisted that they did pass. Afterwards he corrected. **AT THE MEETING HE DELIVERED FALSE NEWS.** www.delairegovernance.com **discloses everything.**

Zucker reported the 2016 Administrative increase was due to the **Brecker litigation.** AGI the Insurance carrier paid all the legal fees after the deductible. **FALSE NEWS TO HIDE THE REAL FACTS!**

Steve Saltzman agreed that the courses need a lot of work, it is not a finished product. Karpel commented how improved our courses are. Saltzman's reply disclosed the **FALSE NEWS.** A protest voicing algae is engulfing the lakes. Saltzman answer: The lakes are not deep enough, due to restrictions. **There are no such restrictions. FALSE NEWS TO HIDE THE REAL FACTS!**

I protested to Karpel in a letter, vis-a-vis the handling of our ballots that **gave the opportunity to Allan Killik to forge a member's signature.** Karpel's e-mail response:" ON February 14, 2017 it was determined that no employee of Delaire or any club member would have access to the ballot box and handling of received ballots. No one is allowed to open the box for any reason such as **tracking who has or who has not voted.** The ballot box has two locks and keys to be given to the club Secretary".

THAT RESPONSE IS AN ADMISSION OF CORRUPTION, which will continue unless we put a stop to it. Killik's forgery is an admitted forbidden event. Did he do it with board approval? They did not terminate him. Sounds like approval.

Karpel has never communicated the February 14th edict. Did you hear about it? The ballot box will not to be in full view! Keys are **NOT** with the inspectors of election! Ballots continued to be collected at the office! Remain in board's hand! Not in a tamperproof ballot box! The Secretary getting the keys instead of the Inspectors of elections! Killik was the Secretary when he forged a signature. What changed? Nothing! **IT'S ALL FALSE NEWS!** Hiding truths!

TRACKING BALLOTS will continue! LIST OF NONVOTERS will continue!
Trickery remains!

The board “hates” those that fight their treachery. Karpel’s February 14th ploy is a “confession” that the board has permitted deceptive practices for years. That is what my litigation was all about. **I uncovered their dirty tricks, tracking, creating lists of nonvoters, and making it possible for forging signatures as Killik did.** We discovered their trickeries from their own lips during **DEPOSITIONS, which are all posted at www.delairegovernance.com.**

Isn't time to put an end to all of these shenanigans? I did the discovery. You finish the job!
